HP SignagePlayer mp8200
Get noticed

Built for digital signage, this powerful media player is ready to drive your communications to capture customers attention.

HP recommends Windows® 7.

Small, but powerful

This small but powerful media player is optimized to work with the latest digital signage content management media software to provide smooth and reliable operation in demanding digital signage applications. Delivered with a Windows® Embedded Standard 7 operating system tuned for digital signage and ready to be deployed in the field, the HP SignagePlayer mp8200 allows for easy and trouble-free rollouts. When paired with digital signage software, HP SignagePlayer mp8200 has the technology you need to capture your customer's attention and create memorable impressions. Use the HP SignagePlayer mp8200 to help increase sales and improve the effectiveness your communications.

Fine tuned for digital signage

HP SignagePlayer mp8200 is specifically optimized for digital signage media and built for demanding digital signage duty cycles. Built on powerful Intel® Core™ technology[1], the HP SignagePlayer mp8200 has all the power you need to run compelling digital signage content. Preinstalled with Windows® Embedded Standard 7 operating system, HP SignagePlayer mp8200 is ready for deployment into your digital signage environment.; HP SignagePlayer mp8200 mounts neatly, easily, and securely to the back of an HP digital signage display[2]. Optional ATI Radeon discrete graphics provide the additional power to satisfy the most demanding dynamic content requirements. Optional wireless networking provides flexibility and ease of installation.

Trusted technology

Certified by leading software vendors, HP works with the best software companies in the business to certify the HP mp8200 for reliable performance when playing complex digital signage content.; With more than 20 years of business display and computing engineering expertise and the industry's most expansive portfolio of high-performance solutions for every size enterprise, the HP SignagePlayer mp8200 is built for demanding 24/7 retail environments and the latest digital signage applications so you can focus on your business not your technology. Backed by a 3 year limited warranty and HP worldwide service and support, your HP SignagePlayer is ready to work when you are.; For more information about HP SignagePlayer mp8200 or HP Digital Signage Solutions visit us at www.hp.com/go/digitalsignage.
